Hearing of Persons Present:

Randy Bachman President for the Coplay Athletic Club is asking for some kind of forgiveness for rent relief. Due to COVID19 they have lost a lot of members due to the club shut down and told members that when the club was closed they did not make members pay the gym fee. Stated if they would pay the rent for July-December 2021 of \$1,320.00 it would take the clubs balance down to a couple of hundred dollars. This would cause a problem with getting repairs done or new equipment. They have not had any income for the last year. Randy has asked where the money goes that they pay for rent. Council said the money goes into the general fund.

Kim Rader Secretary-Treasurer for the Coplay Athletic Club stated she had sent a letter to go to council to ask for rent forgiveness or waiver for the club due to COVID19. President Bodish said that Mrs. Bachman did present this to council. She stated they would like to have six months of rent waived or an extension for the rent due to the funds. A lot of members in the community use the gym due to the hours, time the gym is open and the fee for the gym is lower than any other gym. Rader has asked for one or two months of rent free due to the circumstances.

Mr.Kern has asked if they have an email address so that people can email them asking about joining the gym. This would have a trail of paperwork that people would be trying to contact you for joining the gym and make it easier for them to apply.

Mr. Sodl asked how many members there were. Rader said she could not tell them how many members at this time. Sodl said he looks at Coplay Sports that they were hit with COVID as well and they survived. Sodl replied all other clubs or renters have paid their rent on time and in full. Sodl did say he would like a plan of action taken before the council members would vote. Randy Bachman replied a plan of action would take a period of time till they have all their members together to get a plan together.

President Bodish asked if they have applied for any relief for the club. Bodish did reply if there was something they could pay instead of paying the whole amount at one time. There was no reply.

Mayor Molitoris asked if this is something that council could consider with helping the Coplay Athletic Club.
