Hearing of persons present:

Jenna Fliszar, 35 E. Elizabeth Ave., Bethlehem, representing Mr. Newhart, owner of Sugar the cat, copy of letter provided to council members that was submitted to Northampton County DA Morganelli and led to the opening of an investigation. Understand Copley hired Officer Purcell pending background checks, council should not wait until investigation into animal cruelty charges is complete to retract offer of employment due to his obvious lack of good judgment, discharging a weapon in a residential area, poor reasoning and poor decision making skills. Many comments and petition by many concerned citizens on social media at this time. Following through on the hiring process shows you, as Copley Borough Council members, do not care about your residents.

Tom Newhart, 733 Hunter St., North Catasauqua, owner of Sugar the cat, commenting that he has family members who reside in Copley. He is embarrassed as a resident of North Catasauqua that they have not done anything about this situation and does not want to see Copley go through the same circumstance by hiring this individual.

Susan Kline, 17 South 5th St., Copley, here in support of Sugar, requests council does not hire this officer for Copley Police Department. She will not feel safe with this police officer. Pres. Bodish requested Solicitor Preston response. Solicitor Preston stated advising council to await results of DA investigation to take any action, at that point can agree or disagree with DA assessment of situation but should await final determination. Officer has rights as well, and if council rescinds offer of employment could result in negative consequences for the Borough.

At this time, Pres. Bodish stated will only entertain a couple more comments on this topic, preferably from Copley residents.

Sheila Archer, 705 Main St., Northampton, moved from Allentown to Northampton for a quieter, safer community environment. It is upsetting to see the lack of judgment on the part of Officer Purcell to shoot a pet; at a loss for words. Council should not consider hiring this individual, requested members do the right thing in this instance.

Susan Sacks, 42 North 3rd St., Copley, originally part of Copley Feral Cat Committee which is a responsible trap/neuter/and release program. Feels Officer Purcell would not be good fit for Copley. Requests council exercise good judgment for their constituents and do not hire this individual.

Marc Maulucci, 3327 N Hobson St., Whitehall, stated animals need a voice in this situation. Why would Officer Purcell shoot this house cat if his life was not in danger. Who is to say he would not treat a human being the same, shoot first and ask questions later. This is why I believe police officers should receive psychiatric evaluations every two years.

Anne Killeen, 32 South 4th St., Copley, preliminary drawings for new public works building should include shower facilities, and clothes washing machine as well. Sodl and Pres. Bodish assured Ms. Killeen that these amenities have been considered and will be included in new building.

Burker read agreement submitted by Coca Cola to Legion for signature. Solicitor Preston stated working on wording to protect Borough in lease agreement, awaiting response from Legion commander to finalize same, also requesting copy of Coke agreement to review to protect borough. Same provided to Solicitor Preston by Burker. Sodl commented feels past should be protected and lease should ultimately be with Legion. Further discussion with Sodl, Solicitor Preston and Legion representative Larry Gutleber, in audience. Solicitor Preston, based on discussion, able to word agreement properly for both Borough, Legion and Balliet Stadium Inc. Burker invited members to attend next meeting with representatives of Coca Cola on Wed., 1/13 at 10:30 am at Balliet Stadium. At this time, Larry Gutleber from Legion Post 426 Coplay stated originally Coke had stipulations in agreement requiring a certain quota of products to be sold, etc. however were told there was no way a guarantee of the amount of product sold could be included in the agreement. Coke then came back with this agreement which does not include any quotas. Burker stated Coke agreement does state only Coke products may be sold at Balliet Stadium which would include any special events held by the Borough on that property. Both Sodl and Burker agreed that with the receipt of this amount of funds for the scoreboard, etc. Borough would be willing to fulfill that obligation. Burker added, rumors are circulating regarding the team name and the name of the stadium. Samuel Balliet Stadium name will NOT be changing. Fullerton Legion team will be incorporated into Coplay and although no final decision has been made on what the team will be called, has been guaranteed that "Coplay" will always be first in the name, i.e. Coplay-Fullerton Legion. Sodl questioned Mr. Witczak in audience as to level of service he provides. Mr. Witczak responded, engineer in area over 20 years looking to get into more municipal work, thought Coplay would be a great opportunity to begin that process.
